

The Title of the abstract for 9th International Conference on Ion Beams in Materials Engineering and Characterization (IBMEC 2026)

First Author¹, Second Author², Third Author², Fourth Author³,

¹*Name of the First Organization with address.*

²*Name of the Second Organization with address.*

³*Name of the Third Organization with address.*

This page provides guidelines for submitting an abstract in the conference. The text is itself an example of the layout and style required for the one page (maximum) abstract that will be published in the book of abstract of the conference when selected for presentation. Documents must be submitted in electronic format as a Microsoft Word file (*.doc). Carefully check contents and format of your article before submitting (it will appear in the published document in exactly the same form).

Times New Roman is the recommended typeface for all the text. The title should be in boldface letters and centred across the top of the page using 14-point type. The title will be followed by Author Name(s) centered and in 12-point type and Affiliation(s) left aligned in 10 point, italicised type. The name of the presenting author has to be underlined. Please mention the email address of the corresponding author below affiliations and leave a blank line after that. Type size for all text in the body of the abstract has to be 11 –points with 1.5 line spacing. Please do not put numbers, running footers or headers on the page. References, if required, should be collected at the bottom of the page. When referring to them in the text, type the corresponding reference number in square brackets as in this example [1].

Please submit your abstract latest by 30th August 2026. Communications regarding the Conference will be sent to the email provided to us during filling of online registration cum abstract submission form.
